

Curriculum Vitae

Dr. Rolf-Dieter Amann

Member of the Executive Board of Bosch Rexroth AG

April 1, 2013

Dr. Rolf Amann has been responsible for the commercial activities of Bosch Rexroth AG as a Member of the Executive Board since April 1, 2013. His area of responsibility includes Purchasing, Logistics and Human Resources.

Amann studied Business Administration at the University of Mannheim and launched his professional career as a management trainee at Robert Bosch GmbH in Feuerbach. Following several different positions within the Bosch Group, Amann gained international experience in Great Britain and then assumed managerial responsibility for Finance, Controlling, and Purchasing at ZF Lenksysteme GmbH.

Rolf-Dieter Amann, who holds a doctorate in Business Administration, joined the Bosch Rexroth AG commercial management board for the Hydraulics division in 2006, and later for Industrial Applications.
